It's tight at the top with Graham Haslam and Darren Walters are almost equal, Darren has already missed two rounds, but Graham has completed every round of the series so far. His lowest two scores are still to be dropped, so the series will be decided at the final round at HUX .

Scott Howlett has ridden well all season and looks good for third place, though “old boy” Martin Greeves could in theory catch him.

Please remember that the HUX club have a no late entries rule, please enter early.

Remaining round.

Hillingdon and Uxbridge. Benington. December 6th.

9 rounds only 7 to count. Bob Twigg. 01707 880244.
