At Wycombe, another poorly supported round, Gary Chandler took a well deserved win to move to the top of the table. Young Will McBain, who has just moved up to the expert class, “grabbed” second spot from Chris Koch. Lennie Tidd had to cope with a misfiring machine, but still scored enough points to keep him second in the series.

Riders please note !

Only those who enter under a South Midland centre club can score points in the centre championships.
