## Section 11.

This section was hard fought & was marked on panache style & how much you made Adie & I laugh... BIG shame on those of you who did not attempt Section 11!!

Vincent made the best start in the experts with wheelies aplenty (55 style points). Sam came in & equalled Vincent only for the pair of them to be taken by Alexz with 60 style points for a head back & leg raise.

BUT, however good Vincent, Sam & Alexz were, Martin Greeves stole the show with 75 style points for one handed riding that scared the beepers out of him. It was class. He looked terrified & had both Adie & I falling about with laughter.

In the pre 65's with 50 style points Nick James hid behind the rock step on lap 1 & then hid behind the hut on lap 3. This was inspirational... moments that would have challenged Houdini! However there were 3 people that put the rest to shame!!!

Lydia Wigg wheeled the tree, much to the surprise of her brother & left the section at a vast rate of knots front wheel pawing the sky with both Addie & I clapping our hands. (Alexz clearly knew he was beat on the style front by his sister).

Conner Gibbons had to be evicted from the section & took 3 attempts to go through the end cards. Yes by that time we were crying with laughter.

Sam Phypers was in determined mood & would not deviate from the route he decided upon on lap 1. Yes this serious determination showing the ultimate in consistent style & panache.

So without doubt Adie & I award **Lydia, Conner & Sam** 87 style points each & are the joint winners of Section 11!!!!

**Berkhamsted MCC send out a big thankyou to all of the helpers & riders that made this a really enjoyable trial.**
